

Name

Elephant

Tracing practice for the uppercase letter 'E'. The first row consists of six boxes, each containing a small 'E' with numbered arrows: '2' for the top horizontal stroke (rightward), '3' for the middle horizontal stroke (rightward), and '4' for the vertical stroke (downward). Below this is a row of six larger 'E's for tracing, each with a starting dot at the top-left corner. The bottom section of the page contains two sets of blank handwriting lines, each consisting of a solid top line, a dotted middle line, and a solid bottom line.
