

Name _____

Turtle

Tracing practice area for the uppercase letter 'T'. It consists of three rows of handwriting lines (top solid, middle dotted, bottom solid). The first row contains five 'T' characters for tracing, each with a '2' and a downward arrow indicating the stroke direction. The second row contains five 'T' characters for tracing, each with a black dot at the top of the stem. The third row contains five black dots on the bottom line, serving as starting points for independent writing.
